Physical Geography of China Map

Directions: Use an atlas to label the map and create a key. Color your map according to the elevation in your key.

Label the following:

1. Yellow Sea                      7. East China Sea
2. Himalayas                      8. Yangtze River (Chang Jian River)
3. Yellow River (Huang He River)  9. Mt. Everest
5. Plateau of Tibet               11. Label 3 other physical feature of your choice.
6. Gobi Desert

13. Think about it: How do the natural border of the Himalayas, rivers and deserts effect China?
WHERE IN THE WORLD?
A China Physical Geography Scavenger Hunt...
